 - Current Federal Government employees. (Current GS employees at the same grade or one grade lower than the advertised position grade may apply.)

Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities (MDRs)

- Serve as a principal collection subject matter expert responsible for supporting the DMI and the National Intelligence Manager (NIM) for Africa in developing and leading the execution of a Unifying Intelligence Strategy (UIS).
- Partner with the IC's NIM-Africa community in advancing the mission and assessing progress against key intelligence gaps identified in the UIS.
- Lead strategic collection initiatives and requirements development to ensure UIS alignment with National Intelligence Priorities Framework objectives and organizational missions and goals.
- Coordinate with Office of the Director of National Intelligence (ODNI) elements and with other agencies engaged in collection activities to advance joint actions and ensure alignment of programs, procedures, and guidelines.
- Serve in a leadership role in aligning and integrating the IC collection enterprise's total array of collection capabilities against the Nation's most important strategic intelligence issues for Africa.
- Foster and cultivate strategic alliances and professional networks with interagency partners and other community elements to ensure adequate resource availability and priority attention on the Integrated Mission Strategy and National Intelligence Strategy mandates, in support of the NIM-Africa.
- Balance long-term, enduring requirements against current issues and trade-offs while also documenting opportunity costs across the collection enterprise, in support of the NIM-Africa.
- Lead Community base lining of the current collection capabilities for countries and issues in the NIM-Africa area of responsibility. Baseline collection postures should include background information and input from collector

organizations describing current collection efforts in addition to plans and recommendations to enhance collection.

- Work to support NIM-Africa in the formulation of fiscal year budget builds and other budget matters in support of IC collection initiatives.
- Align and integrate the collection enterprise's total array of collection capabilities against the most important strategic intelligence issues for Africa.
- Develop integrated collection strategies for respective mission areas. Conduct analysis and provide recommendations on "cross-target tradeoffs".

Mandatory and Educational Requirements

- Expert knowledge of and broad experience with addressing intelligence collection-related issues, and in-depth expertise on (US national) domestic, defense and foreign partners' intelligence collection organizations, programs, and capabilities.
- Expert working knowledge and experience with multiple collection disciplines including, but not limited to, SIGINT, MASINT, HUMINT, OSINT and GEOINT.
- Superior ability to successfully lead senior-level interagency teams or bodies to achieve decisive results.

Desired Requirements

- Prior experience as a senior-level collection expert, manager, senior level analyst, or technical expert.
- Prior experience with multiple intelligence source disciplines and working in a cross-domain environment.
- Prior work experience focused on Africa analysis or collection-related issues.
